FIRST DAY

Arriving to the city at early afternoon. The accommodation can be occupied from 14:00. Free time for arranging our belongings, and then setting off to explore the surroundings. Luckily, because of the well located accommodation the most significant tourist attraction of Rome, the Colosseum, can be approached on foot (and also by subway if we want to take part in the Italians' public transport).

After viewing the beautiful lighting, arriving back to our house at the late night evening.

SECOND DAY

After having our delicious breakfast, going on a sightseeing tour with the help of a Hop on Hop off bus.

Rome is not only one of the world's oldest cities, with a history dating back thousands of years, it's also a chic modern capital with stylish shops, restaurants, and cafes and entertainment sports venues.

With this kind of tour we can discover all of the above and attractions such as Circo Massimo, Piazza Venezia, Fontana di Trevi, Vaticano and other spectacles of Rome.

LAST DAY

As for ending our fantastic tour, after having our breakfast let's hire bicycles, there is even opportunity for tandem bikes, which is more fun!

Parco del Colle Oppis is near, a big park where we can spend the rest of our day, and then we have to take back the bicycles, and walk back to Termini station and wait for The Leonardo Express which will take us back to the airport.
